## WHO ARE WE?

RepairNet is a trusted mobile auto repair service in Kenya dedicated to fixing your car repair problems with total convenience and 100% transparency. More affordable than going to a shop and the best part? We come to you.

### Certified Mobile Mechanics

Our certified mobile mechanics are thoroughly vetted and have years of experience. They come to you to fix your car so that you can do what matters to you most. We can perform most services - brakes, suspension, steering, engine repair, maintenance, etc. - in your driveway. So all you have to do is get your fixed quote with no hidden fees and up front pricing and we'll take care of the rest.

### Expert Diagnosis

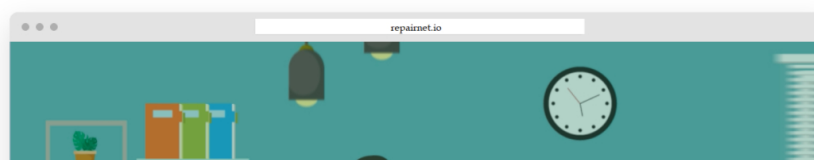

Don't know what's wrong? Not a problem, our mobile mechanics have all the tools to diagnose issues from no-start diagnosis to engine overheating at your doorstep, so you don't have to tow your car. All our mechanics are licensed and have extensive diagnosis/inspection experience to successfully diagnose the issue.

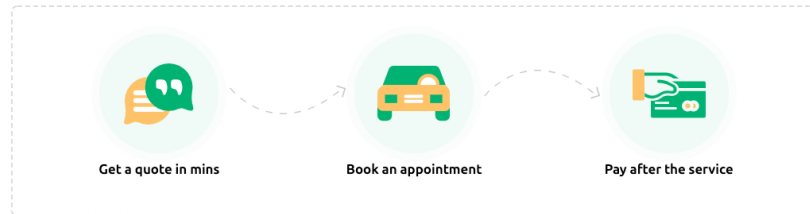

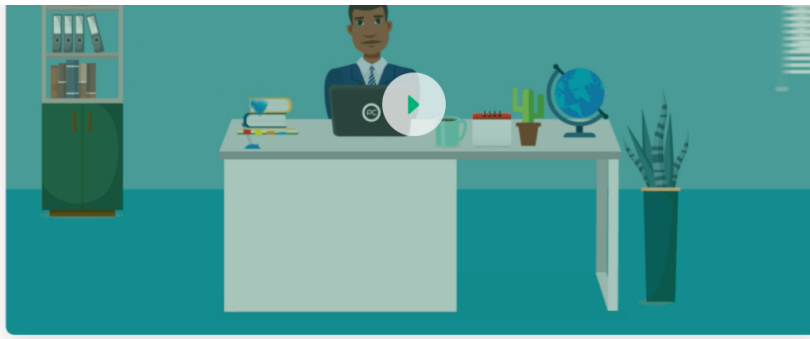

**Get your car fixed, where you want, when you want, with RepairNet.**

Once you use our service, you'll be surprised how ridiculously easy it is to maintain and get your car fixed.
